Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Thursday 26 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Patchy cloud but plenty of sunny spells.

Today:
A cloudy start to the day but remaining largely dry. Cloud persisting into the afternoon with plenty of sunny intervals particularly in the west of the region. Cooler than of late but still feeling warm. Maximum temperature 20 deg C (68 deg F).

Tonight:
Cloud breaking as we move into the evening making way for some sunny spells. A largely clear night making it feel cooler than of late. Minimum temperature 12 deg C (54 deg F).

Friday:
A cloudy day but remaining dry with plenty of sunny spells. Cloud clearing as the day progresses making way for a largely sunny evening, feeling warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Plenty of cloud with the chance of some isolated showers on Saturday. Dry with sunny spells on Sunday. Largely cloudy with a small risk of showers on Monday.
